## OPEN CALL

# FAMILYVISION SONG EVENT

**DEADLINE FOR APPLYING: 31 MAY 2021**

The Europa Cantat 2021 festival in Ljubljana will gather choir enthusiasts from all over the world and offer a variety of educational content, numerous concerts along with many other interesting events. One of them will be the Familyvision Song Event.

It will provide an opportunity to everyone who traditionally or occasionally like to sing with their family and relatives – children, parents, grandparents, aunts and uncles, siblings, cousins ... The online floor will be yours. If you are selected you will be asked to send us a new recording consisting of two songs of any style that will be broadcasted on festival TV.

### CONDITIONS:

- Each family will perform two songs of their choice.
- All styles are welcome with or without instrumental music.

### APPLICATIONS AND ATTACHMENTS:

- The singers have to complete an online application form, including contact information, the name of the ensemble, the number of performers and their singing programme. You can access the application form by clicking on the following link: <https://form.jotform.com/211223501430334>. Please send it back by **31 May 2021** at the latest.
- The application form must be accompanied by 1–2 recordings of your ensemble made in 2020 or 2021, on the basis of which the selection will be made.
- You can send a link to the video or an attachment in the mp3 or mp4 format.
- Size of the attachment: 100 MB (for each recording, max 3 minutes).

### SELECTION OF THE ENSEMBLES:

- A special festival programme commission will review the submitted videos and select ensembles who will be asked to send us a new recording consisting of two songs of any style that will be broadcasted on festival TV.
- The ensembles will be notified about the selection by no later than **10 June 2021**.

### PERFORMANCE:

- The performance will take place on the festival TV. Exact date will be announced later.
