A screenshot of a mobile application interface. At the top left is a back arrow icon. The main heading is "A question from the host". Below it, a subtitle reads "Your answer will be visible to all the participants in the room". There is a placeholder icon for a profile picture. The question text is "Where are you joining us from?". Below the question is a text input field with the placeholder text "Type your answer". At the bottom is a teal button labeled "Next".
